## STEP ONE:

From your PC or Mac, go to The Nest's Facebook page here: <https://www.facebook.com/TheNestLex> (This will not work from a phone app, unfortunately. It has to be done from a computer.)

## STEP TWO:

Underneath the blue "Donate" button on the right side, click the three little dots on the right.

## STEP THREE:

Click "Invite Friends" near the bottom of the list of options.

## STEP FOUR:

Click "Select All" on the right side above the check boxes.

## STEP FIVE:

Click the "Send Invites" button on the bottom right.
